

BUILDING USE POLICY

PANAMA CITY FIRST UNITED METHODIST CHURCH

It is our intention that Church facilities be used for the glory of God. Decisions concerning use of church facilities will be guided by the fact they have been dedicated to worship, Christian education, community service, or other related activities. In addition to providing space for its own activities and members, First United Methodist Church offers space to organizations and groups which serve the needs and interests of the community; however, their purposes and goals must be consistent with the doctrines, beliefs, and social principles of the First United Methodist Church. FEE OPTIONS

The Church does not have janitorial services or personnel to cover setup/take down or cleaning services when facilities are used. These services must be done by paid contract personnel. The User will communicate and agree with church staff on how the church facility is to be arranged prior to setup.

Fees do not include setup/take down or cleaning. These services are in addition to the above listed fees.

Member/Non-Profit Fee Procedures

Members/Non Profits may choose to setup/take down and clean the facility they used or pay the appropriate fees to have these services. In the event that a regularly scheduled church service will held in the facility shortly following the rental term, FUMC may require the utilization of contract personnel to clean and set up the facilities for such service. Each facility area must be returned to its original state or setup for the next activity as requested by the Facility Manager. There is also a fee (\$10.00 per hour) for an Event Coordinator who will open and close the facility and be present the entire length of time the facility is used.

Non-members Fee Procedures

Non-members must pay for an Event Coordinator (\$10.00 per hour) who is responsible for opening and closing the facility to be rented. The Event Coordinator will be present the entire length of time the facility is used.

Non-members must pay for setup/take down and cleaning fees. The number of personnel necessary for this service and the projected cost of these services will be placed on the facility use agreement. It should be understood by the User that any additional unforeseen costs such as extra cleaning will be added to the final costs. All facility setup/take down fees are \$20 per hour per person. All church facility cleaning fees will be contracted and the church will be responsible for contracting the number of personnel for these services. These fees are in addition to the usage fees and the deposit and shall be paid to the FUMC.

APPEAL OF BUILDING USE FEES

The Trustees Committee with the approval of the Senior Pastor has the right to deny use of the First United Methodist Church facilities to any group or organization. The decision of the Trustees and Senior Pastor will be final.

Any group or person may request the waiver or reduction of usage fees alleging the fee to be a financial burden. This request shall be in writing setting forth the basis for the request and shall be directed to the Trustees. This request must be presented at the regular scheduled Trustee Committee meetings on the second Wednesday of each month. In the case of a regular Trustee meeting that is cancelled, a phone vote will be conducted so a decision is made in a timely manner.
